ATTACHMENT TO FISCAL IMPACT HB 1810 [Introduced] Prepared January 24 2011.

In 2010, Tax Commission records indicate that 54,323 full year coin-op decals were issued for music, amusement, and devices requiring a coin or thing of value of twenty five cents (\$.25) or more. Multiplying 54,323 coin-op decals by the current one hundred and fifty dollar (\$150) fee, results in estimated collections of coin-op decal fees of \$8,178,600 for FY 12.¹ Decreasing the fee to fifty dollars (\$50) per device, would result in an estimated decrease in coin operated decal fees for FY 12 of \$5,462,450.

¹ Assuming issuance of a like number of full year coin-op decals for FY 12.
